

# THE TIME OF FAJR SALAAH

## START TIME | AT THE TIME OF TRUE DAWN

Sayyiduna Abdullah Bin Amr Radhiyallahu Reports That Rasoolullah Sallallahu Alayhi Wasallam Said... "The Time Of The Morning (Fajr) Salaah Is From The Appearance Of True Dawn As Long As The Sun Has Not Risen." (Muslim 612)

## THERE ARE TWO TYPES OF DAWN

### FALSE DAWN (FAJR KAAZIB)

The Light That Appears Vertically In The Horizon Followed By Darkness Is False Dawn (Fajr Kaazib). This Is Not The Start Of Fajr Time.

### TRUE DAWN (FAJR SAADIQ)

The Light That Appears Horizontally In The Horizon Followed By More Light/Brightness Is True Dawn (Fajr Saadiq). This Is The Start Of Fajr Time. (Muslim 1094)

## END TIME

At The Beginning Of Sunrise. When The Tip Of The Sun Appears At The Horizon.
